At a congregational meeting of the Church of the Redeemer held on Sunday the following deacons were elected to serve for the next two years: Geo. B. Cromer, S. J. Derrick, W. G. Houseal, W. P. Houseal, Jno. C. Goggans, J. M. Kibler, O. B. Mayer, Geo. W. Summer, and J. A. Blackwelder.

Small Fire in No. 9.

On last Saturday at 3 o'clock in the afternoon while the family were absent from home the barn of No. 9 was destroyed by fire. The cause of the fire is unknown. Mr. DeHart lost three bales of cotton and all of his farm implements. The loss is about \$200. The barn belonged to Mr. J. B. Stockman.

Special Court.

At the meeting of the Newberry bar held yesterday morning it was determined to ask for an extra court or special court to begin the week following the close of the common pleas court and to dispose of only such cases as can be heard without a jury. This will make the special court begin on the 16th of November giving us three straight weeks of court. The gentleman learned in the law to hold this court has not yet been appointed.

Ball Granted.

Associate Justice Eugene B. Gary yesterday morning granted bail to S. H. Banks and his daughter Sallie Cockerell charged with the murder of Smith Cockerell in Saluda county a couple weeks ago. The application for bail was heard before Justice Gary at chambers at Abbeville. We did not learn the amount at which bail was fixed.

Y. M. S. L. Convention.

The seventh annual session of the Y. M. S. L. convention, colored, met at the new Baptist church on Saturday 10th instant at 10.30 a. m. The president M. C. Scurry called the convention to order and opened it in due form. The delegates were enrolled and the following officers elected: M. C. Scurry president, C. K. Kinard vice-president, D. E. Rice secretary, O. P. Cooper treasurer. This makes the seventh term for M. C. Scurry as grand president.

Prospering in Florida.

The many friends of Dr. J. M. Thompson who moved to Florida from this county some years ago will be glad to know that he is prospering in his adopted home as most all Newberrians do who seek fortunes elsewhere. He has been living in Ocala continuously since he went to Florida. He has a son who is following in the footsteps of the father, Dr. Tom C. Thompson. He graduated at the University of Florida in 1899 and then studied medicine and graduated from the medical department of the University of Kentucky in 1903. Young Dr. Thompson has recently formed a partnership with Dr. J. L. Romero of Jacksonville and will enter upon the practice of medicine in that city under very favorable circumstances. Dr. Romero has made a competency and virtually retires from the active practice turning over his practice to Dr. Thompson. We are always glad to hear of the success of any Newberrians wherever they may wander.

Special Judge.

Owing to the illness of Judge J. C. Klugh who was to hold the regular November court for Newberry county, Mr. H. J. Haynesworth of Greenville has been appointed to hold the court, both the sessions and the civil courts. The criminal court will convene here on the second of November and last one week. The civil court will commence on the 9th and continue for one week. Mr. Haynesworth is one of the leading lawyers of the Greenville bar and we are sure will make an acceptable judge.
